Dear Rex:

At the 2004 International IAAP Convention in Washington, D.C. last summer, I had the pleasure of hearing you speak at our CPS Luncheon. When it was over, I made a beeline to purchase your CD as your presentation was just hilarious!!!!!!!!!!!!!! We all laughed until we hurt and I remember you got a standing ovation!!!

Anyway, the Christmas season is always sad for me so I decided to get out your CD to listen in my car on the way to work. I knew this would cheer me up!

As I listened, I started laughing so hard that I know people in the lanes next to me thought I was crazy!!! Anyway, I just wanted to let you know that you brightened my day once again. I intend to take this CD with me when we go to my daughter's house for Christmas. Having had a nice wedding, I'm sure her and her husband will love that portion of the CD because it was so funny and so TRUE!

Thanks again for being a CLEAN speaker and especially for being such a funny one! Laughter is so good for the soul and we certainly could use more of it in today's times. I wish for you and your family a wonderful Merry Christmas and the happiest of New Years!

Sincerely,

Sandra Ayers, CPS, MOS
