Dear Rex,

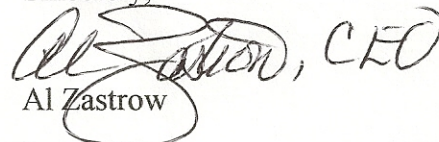

Keokuk is a city "abuzz" in the afterglow of your show last Saturday night. From every possible perspective, our "Let the Laughter Live On" event on May 10th was a huge success due in large part to the tremendous show you gave us. It is without a doubt one of the best and most enjoyable night's entertainment that Keokuk has ever had. As I have had the opportunity to talk with people over the past several days who were in attendance, I've been writing down some of the various comments about the show:

"Fantastic show for all adults!" "Simply mesmerizing and so enjoyable!" "Refreshing to hear an entire show with no profanity yet totally hilarious!" "WOW" "Las Vegas caliber show right here in Keokuk, Iowa!" "When's he coming back? Soon I hope!" "Laughed till I cried" "What a talented guy, fun night, hilarious and a perfect show!"

And one of the best comments came from one of my associates here at the hospital who said he got home and asked his wife if she'd been secretly married before, because this Rex Havens guy knew everything about her! My wife and I got to laughing so hard going over some of your lines while we were doing dishes on Sunday, that we scared the dogs!!! Ha Ha!

In all sincerity, you were simply fabulous and we could not have picked a better artist to headline our show. From the first contact many months ago and right up through the standing ovation from an audience crying for more and your signing autographs in the lobby afterwards, you were the consummate professional in every respect and your genuineness and generosity are very much appreciated. Thanks again Rex, and know that you have a permanent place in the hearts of Keokuk, Iowa and we'll leave the lights on for you any time you're in our area!!!!

Sincerely,

Al Zastrow
